ANESTHESIOLOGY UPDATE 2015
Boston, MA     May 11-15, 2015

- New practice recommendations for the following areas of anesthesiology: ambulatory, cardiac, critical care, obstetric, pain management, pediatric, regional and thoracic
- Lectures, simulations, and hands-on workshops led by Harvard Medical School’s leading clinicians and internationally recognized guest faculty

A practical and comprehensive review of the most important new changes and advances in clinical anesthesiology

The Ether Dome
Optional tour: Tuesday evening, May 12

Register at Anesthesiology.HMSCMCE.com
Course Overview

This in-depth course, sponsored by the Harvard Medical School Departments of Anesthesia and Continuing Education, is intended to provide anesthesia practitioners with a comprehensive review of the most important advances in clinical anesthesiology, and each of its major subspecialties, including ambulatory, thoracic, pediatric, obstetric, regional, and cardiac anesthesia. The program will include lectures, panel discussions, problem-based discussions, workshops and ample time for interaction with faculty.

The course will include basic principles, while emphasizing clinical problems and controversial aspects of patient care. We will continue our popular format from previous years, with intensive all-day programs and evening workshops to provide hands-on instruction and practice, demonstrating our commitment to lifelong learning and providing a dynamic continuing educational experience to clinical and research professionals in the field of anesthesiology.

Learning Objectives:

Upon completion of this course, participants will be able to:

• Adopt principles in the setting up of a surgical home
• Diagnose and develop a treatment plan for hemorrhagic shock
• Analyze large trials, assemble the evidence and measure quality in anesthesia practice
• Integrate updated guidelines in practice when managing the difficult airway
• Critique the role of the anesthesiologist in end-of-life care
• Adopt the latest evidence-based practices in obstetric anesthesia
• Incorporate the latest AHA/ACC guidelines and recommendations into practice

Who Attends

• Anesthesiologists
• Nurse anesthetists
• Research staff
• Residents
• Fellows
• Student nurse anesthetists

Accreditation

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 58.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

• Course, including optional Lunch-and-Learn Roundtable Discussions: 42.25 AMA PRA Category 1 Credits™
• Course only, no Lunch-and-Learn Roundtable Discussions: 37.5 AMA PRA Category 1 Credits™
• Course and ACLS Workshop: 40.25 AMA PRA Category 1 Credits™
• Course and Ultrasound Workshop: 40.50 AMA PRA Category 1 Credits™
• Course and Difficult Airway Workshop: 42.25 AMA PRA Category 1 Credits™
• MOCA Workshop 5.50 AMA PRA Category 1 Credits™

This activity meets the criteria of the Massachusetts Board of Registration in Medicine for 4.0 hours of Risk Management Study. This includes 2.0 Credits of Opioid Education and Pain Management training. Please check your individual state licensing board requirements before claiming these credits.

This program has received prior approval from the American Association of Nurse Anesthetists for 50 CE credits (AANA Code #1030661, Expiration Date 5/15/15) for the course with all workshops (excludes ACLS, Ether Dome or MOCA Simulation) and Lunch-and-Learn Roundtable Sessions. Course only: 37.5 credits.

ACGME Competencies

This course is designed to meet the following competencies: Patient care, medical knowledge, practice-based learning and improvement, interpersonal and communication skills, professionalism, and systems-based practice.
Monday May 11

6:00-7:30 Registration and Continental Breakfast
7:30-7:45 Welcome

What Is Success? Is There a Measure?
Moderator: Sugantha Sundar, MD

7:45-8:30 What is a Poor Outcome after Surgery and Anesthesia?
Paul Myles, MBBS, MPH, MD, FRCRCSI, FANZCA, FRCA

8:30-9:15 The Physiology behind Exercise: How to Improve Longevity
James DiNardo, MD

9:15-9:30 Q&A
9:30-9:45 Break

From Bench to Bedside: Making It Happen
Moderator: Keira P. Mason, MD

9:45-10:30 Emerging Mechanisms of General Anesthesia
Hugh C. Hemmings, Jr., MD, PhD, FRCA

10:30-11:00 Cerebral Autoregulation in Children
Sulpicio Soriano, MD

11:00-11:45 Tracheal Intubation without Neuromuscular Blockers
Hugh C. Hemmings, Jr., MD, PhD, FRCA

11:45-12:15 Fact versus Fiction — Controversies in Pediatric Anesthesia
Thomas Mancuso, MD

12:15-12:30 Q&A
12:30-2:00 Lunch On Your Own or Lunch-and-Learn Roundtables (see right panel)

Evidence-Based Obstetric Anesthesia Practice
Moderator: Philip Hess, MD

2:00-2:30 Pregnancy-Related Pulmonary Embolus: A Practical Primer
Lawrence C. Tsen, MD

2:30-3:00 Multiple Sclerosis and Neurologic Disease in Pregnancy
Philip Hess, MD

3:00-3:30 Current Concepts in Obstetric Anesthesia: The Year in Review
Lisa R. Leffert, MD

3:30-4:00 Transfusion Strategies for Obstetric Hemorrhage
Michaela K. Farber, MD, MS

4:00-4:15 Q&A
4:15-4:30 Break

Achieving Excellence in Pain Management
Moderator: Meredith Albrecht, MD, PhD

4:30-5:00 Epidural Steroid Injections — What Is Their Role in 2015?
Chris Gilligan, MD, MBA

5:00-5:30 The Link between Acute and Chronic Pain
James P. Rathmell, MD

5:30-5:50 Recent Advances in Pediatric Pain Management
Navil Sethna, MBChB

5:50-6:00 Q&A
6:00-7:30 Complimentary Wine and Cheese Reception for Participants and Faculty

Tuesday May 12

The Cardiothoracic Anesthesia Panel
Moderator: Meredith Albrecht, MD, PhD

7:30-7:50 Current Status — Transcatheter Aortic Valve Replacement
Sugantha Sundar, MD

7:50-8:15 Anterior Mediastinal Mass: Anesthetic Considerations
Hovig Chitilian, MD

8:15-8:35 Management of the Dysfunctional Right Ventricle
Lauren J. Cornella, MD

8:35-9:20 Management of Cardiac Arrest — Innovations beyond the Guidelines
Michael Donnino, MD

9:20-9:30 Q&A
9:30-9:45 Break

Thought-Provoking Guidelines and Checklists
Moderator: Lynne Ferrari, MD

9:45-10:15 Emergency Manuals and Crisis Checklists — Where Are We?
Alexander A. Hannenberg, MD

10:15-10:45 The Perioperative Surgical Home
Shubjeet Kaur, MD, MScHCM

10:45-11:15 The Latest ACC/AHA Guidelines for Perioperative Risk Assessment
Angela Bader, MD, MPH

11:15-11:45 The Complex Vasculopathy: A Case-Based Discussion
Feroze Mahmood, MD

11:45-12:00 Q&A
12:00-1:30 Lunch On Your Own or Lunch-and-Learn Roundtables (see right panel)

Pro/Con Debate: Should Physicians Participate in Lethal Injection?
Moderator: Keira P. Mason, MD

1:30-2:15 One Side of the Story
David B. Waisel, MD

2:15-3:00 The Other Side of the Story
Gail A. Van Norman, MD

3:00-3:15 Q&A
3:15-3:30 Break

Practice Regional Anesthesia with Reduced Risk
Moderator: Lisa Kunze, MD, PhD

3:30-4:00 Complications from Peripheral Nerve Blocks: Management Strategies
Eric Cappiello, MD

4:00-4:30 New Innovations in Ultrasound-Guided Neuromaxial and Paravertebral Blocks
Anasuya Vassudevan, MD, FRCA

4:30-5:00 Opioid-Sparing Anesthesia: Panacea or Pipe Dream?
Lisa Kunze, MD, PhD

5:00-5:30 Q&A
5:30-8:00 Ether Dome Tour1 (off site): Includes refreshments and transportation.
Susan Vassallo, MD

6:00-9:00 ACLS Workshop2 (on site): Includes dinner.
Workshop Director: Hovig Chitilian, MD

7:30-8:00 Wrap-Up

Lunch-and-Learn Roundtables
Tailor your education at Anesthesiology Update 2015 with optional buffet Lunch-and-Learn Roundtables listed below. Each luncheon session focuses in-depth on one important topic, with insight and interactive discussion led by a master clinician or subject matter expert. Participation is limited to 25 attendees per session to ensure each participant gets their questions answered.

IMPORTANT NOTE: These roundtable luncheons are not included with the standard conference registration. You must add them onto your registration. Slots are filled on a first-come, first-served basis, and most or all roundtables will sell out, so early registration is strongly recommended.

Monday, May 11: Lunch-and-Learn Roundtables
Avoiding Malpractice Suits
Paul McTague, Esq.

Apology and Disclosure after an Adverse Event
May Pian-Smith, MD, MS

Do Stats Lie? Statistics for the Operating Room Clinician
David A. Edwards, MD, PhD

PACU Complications and Catastrophes
Eswar Sundar, MD; Richard Blum, MD, MSE, FAAP

Tuesday, May 12: Lunch-and-Learn Roundtables
Intraoperative Cardiac Arrest in a Child with Pierre Robin Syndrome
Corey E. Collins, DO

Acupuncture Workshop
Yuan-Chi Lin, MD

Rescue TEE: What Is Its Role?
Scott C. Streckenbach, MD

Subglottic Stenosis in an Ex-Premature Child: What Do I Do?
Nita Sahani, MD

Wednesday, May 13: Lunch-and-Learn Roundtables
Conflict Resolution in the Operating Room Environment
Pascal Scemama De Giullaly, MD, MBA

Wait — How Much Oxycontin? Management of the Opioid-Tolerant Patient
Anthony Anderson, MD, PhD

Yikes: How Do I Interpret This? Blood Gas Conundrums
George Topulos, MD

Gastrointestinal Surgery and Esophageal Doppler: Why Do We Need It?
Matthias Stopfkuchen-Evans, MD

Thursday, May 14: Lunch-and-Learn Roundtables
Airway Topicalization for Awake Fiberoptic Intubation
Sarah Wiser, MD

Yes, It Is Anaphylaxis: Management Pearls
Susan Vassallo, MD

The Morbidly Obese Patient: A Case-Based Discussion
Cindy Ku, MD; Stephanie Jones, MD

Building Your Resilient Self: Practical Strategies to Move from Burnout to Balance
Roger Russell, MD; Gail Gazelle, MD

### Friday, May 15: Post-Course MOCA Simulation**

** This is a separate registration. Please contact Ron Mayes (rmayes@bidmc.harvard.edu) for program and payment submission details. This program is limited to six participants.

$1,400

### TUITION PAYMENT, CONFIRMATION, and REFUND POLICY

Payment via credit card (VISA, MasterCard, or American Express) or check only. Telephone, fax, and cash payment registrations are not accepted. Upon receipt of your paid registration, an email confirmation from the HMS DCE office will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation distribution, and certificate delivery.

Refunds, less an administrative fee of $75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by postal mail, email, or fax. No refund will be issued should cancellation occur less than two weeks prior. “No shows” are subject to the full course fee and no refunds will be issued once the conference has started.

### VENUE

The Fairmont Copley Plaza Hotel
138 St. James Avenue
Boston, Massachusetts
+1 617-267-5300

### ACCOMMODATIONS and TRAVEL

A limited number of rooms have been reserved at the Fairmont Copley Plaza Hotel until March 17, 2015. When calling the hotel, be sure to specify that you are enrolled in this activity to receive a reduced room rate. Hotel arrangements can also be made online. Visit Anesthesiology.HMSCME.com for details.

Please do not make non-refundable travel arrangements until you have received an email from our office confirming your paid registration.

### INQUIRIES

Call 617-384-8600 Monday – Friday, 9am – 5pm EST. Send email to HMS-CME@hms.harvard.edu
